Mon, 2011-02-21 11:20 -- Mike Newnham

Perimeter Outreach would like to take this opportunity to share information about these exciting opportunities:

- The Power of Ideas: Teacher Contest
- Teacher Talk with Dr. Eric Mazur - now available online
- Free Summer Programs at Perimeter Institute
- CAP Teaching Award

The Power of Ideas: Teacher Contest

Show us the power of ideas in your classroom! Perimeter Institute challenges Canadian intermediate (grades 7-10) and senior (grades 11-12) science teachers to inspire and engage students with The Power of Ideas multimedia resource that explores the six most powerful ideas in physics history and the transformative effect they have had on our world. The winning entry will receive a cash prize of \$1000 for their science department and a pizza party prize pack worth over \$150 for their class. Contest entries are due May 16, 2011. [Contest Details](#)^[1].

Confessions of a Converted Lecturer with Dr. Eric Mazur

Last November, PI Outreach hosted a *Teacher Talk*, "Confessions of a Converted Lecturer," with Dr. Eric Mazur of Harvard University. The event attracted over 130 educators. Dr. Mazur's Teacher Talk is available for online viewing. [Watch Now](#)^[2].

Free Summer Programs at Perimeter Institute

Canada's Perimeter Institute for Theoretical Physics (PI), is now accepting applications for free summer science camps for [students](#)^[3] and [teachers](#)^[4] with a keen interest in modern physics. All expenses are paid for those applying within Canada.
